

Thankful giving opportunities to partner with Entrust

Dollar amounts listed are suggestions. Any amount given for any project or staff member is appreciated!

GREAT NEWS!

The challenge grant is back! Some friends have pledged Giving Tuesday donations, to challenge others to meet or surpass the challenge amount and strengthen the overall work of Entrust. At least \$14,000 in challenge dollars (amount will grow throughout the month) will be added to Giving Tuesday donations again this year. Your gifts will go to the staff member ministry or project(s) of your choice, while challenge dollars will be applied to the central ministry fund. Will you help us meet that challenge?
