MODULES OFFERED:

Choose one module from the following that will be offered to the first 10 respondents per module (studying is done in a small, interactive groups). First come, first serve! Modules are co-led by experienced facilitators. For all modules, **35-40** hours of advance homework is required and is sent ahead of the course session. **To satisfactorily pass our modules, you must complete a *minimum of 80%* of these assignments prior to coming and attend at least *80%* of the sessions. You will be asked to report the percentage of assignments you have completed at the training.**

The following order is recommended:

Facilitating Relational Learning (FRL)

This module explores the unique needs of the adult learner and studies the teaching methods of Jesus to determine why he is so effective in promoting change and maturity in others. Participants experience how facilitating discussions in a relational context is a powerful way to not only introduce content but to also stimulate growth that leads to mature disciples of Jesus Christ. Through developing significant, open questions and using the best educational practices for adults, participants learn and practice how to facilitate transformational, biblically-based discussions while receiving meaningful feedback from others. (Practice text: *Walking with Christ*, Required Foundational Module.)

Discovery Bible Study (DBS)

This module focuses on how to effectively study the Bible to enrich devotional times, lead small group discussions, and prepare lessons and messages. Participants work systematically through the process of observation, interpretation, and application of biblical passages to understand the author's original intent and accurately apply the Word of God. Participants also prepare and facilitate a topical study, a small group Bible study, and a short message based on a passage of Scripture as well as receive feedback for continued growth in their facilitation skills. (Prerequisite: FRL, DDH)

Equipping Women to Serve (EWS)

This module builds a biblical framework for women serving in ministry. It identifies the needs, resources, challenges, and opportunities in creating and sustaining meaningful ministry. It looks at the essential components for developing servant leaders and a solid team. Spiritual gifts, temperaments, and effective spiritual mentoring are explored in the context of building a

cohesive ministry. Participants explore how God is calling them to serve others and the practical application of these principles to that specific ministry. Continuing their growth in facilitation skills, participants lead both a Scripture passage and a lesson of the workbook. (Prerequisite: FRL, DDH, DBS)
