MODULES OFFERED:

Choose one module from the following that will be offered to the first 10 respondents per module (studying is done in small, interactive groups). First come, first serve! Modules are co-led by experienced facilitators. For all modules, **35-40** hours of advance homework is required and is sent ahead of the course session. **To satisfactorily pass our modules, you must complete a *minimum* of 80% of these assignments prior to coming and attend at least 80% of the sessions. You will be asked to report the percentage of assignments you have completed at the training.**

The following modules are being offered:

Facilitating Relational Learning (FRL): *both co-ed and women only modules*

This module explores the unique needs of the adult learner and studies the teaching methods of Jesus to determine why he is so effective in promoting change and maturity in others. Participants experience how facilitating discussions in a relational context is a powerful way to not only introduce content but to also stimulate growth that leads to mature disciples of Jesus Christ. Through developing significant, open questions and using the best educational practices for adults, participants learn and practice how to facilitate transformational, Biblically-based discussions while receiving meaningful feedback from others. (Practice text: *Walking with Christ*, Required Foundational Module.)

Developing a Discerning Heart (DDH): *women only*

This module investigates God's design of men and women as image-bearers of God and the far-reaching effects of the Fall upon that image. It studies the life-changing impact of Christ's redemption and its effects not only on one's thirst for God but also on each person's mind, will, and emotions. Participants will look at their identity in Christ and see how God has been intricately at work in the story of their lives. Through understanding God's transforming power in their lives, participants are better equipped to come alongside others to help and encourage them in their walk with God. (Prerequisite: FRL)

Equipping Women to Serve (EWS): *women only*

This module builds a biblical framework for women serving in ministry. It identifies the needs, resources, challenges, and opportunities in creating and sustaining meaningful ministry. It looks at the essential components for developing servant leaders and a solid team. Spiritual gifts, temperaments, and effective spiritual mentoring are explored in the context of building a cohesive ministry. Participants explore how God is calling them to serve others and the practical application of these principles to that specific ministry. Continuing their growth in facilitation skills, participants lead both a Scripture passage and a lesson of the workbook. (Prerequisite: FRL, DDH, DBS)

Should this occur, and you are not interested in the other modules we are offering, we do not want you left with a paid ticket.
